## ABOUT US

Shenzhen URION Technology Co., Ltd. was established in 2011 which is a professional OEM/ODM manufacturer for home healthcare devices. Our products include digital blood pressure monitors, infrared thermometers, compressor nebulizers and related healthcare devices which have got Medical CE, FDA 510K and the K number, CFDA and BSCI etc. related authoritative certificates. We have our own R&D department with developing core software algorithm and clinical improvement capacity, along with dozens of patents and multiple software copyrights as well.

At present our products are sold to more than 100 countries and regions. We cooperate with many famous brand owners of medical device all over the world, and enjoy a good reputation in the market.

## Unique Led Screen Appearance Design

Upper Arm Electronic Blood Pressure Monitor U81V

- + Large LED screen Multi-color display
- + WHO blood pressure classification
- + Irregular heartbeat (IHB) indicator
- + 2x90 groups memory function
- + Fully automatic one-key measurement

2X90 Group  
Memory Value

Type-C Interface

One key  
measurement

Irregularity detection

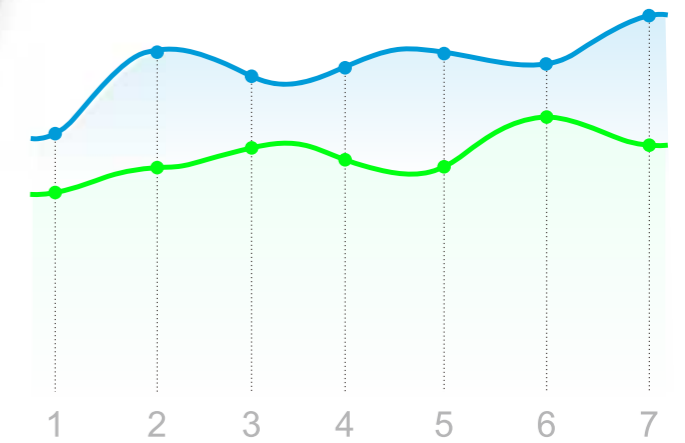

NEW

## Show The Bp Changes Of Trend Graph

Upper Arm Electronic Blood Pressure Monitor U80W

- + 7-Times bp trend
- + 8 inches large screen
- + Intelligent pressurization
- + Easy Operation
- + Comfortable large cuff

Blood Pressure Trends

NEW

## Professional Medical Arm Tube BP Monitor, Convenient Measurement

Upper Arm Electronic Blood Pressure Monitor U90B

- + Lightweight and convenient
- + Large LED screen Multi-color display
- + WHO blood pressure classification
- + Support Bluetooth connection
- + 4x99 sets memories value

4X99 Group  
Memory Values

Support Bluetooth  
connection

One key

## Trend Graph Shows The Blood Pressure Changes

Upper Arm Electronic Blood Pressure Monitor U80T

- + Large LED screen Multi-color display
- + WHO blood pressure classification
- + Irregular heartbeat (IHB) indicator
- + 2x90 groups memory function
- + 7-Times bp trend

## Ultra-large Led Screen High-definition Display

Upper Arm Electronic Blood Pressure Monitor U85W

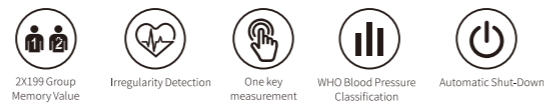

- + Large LED screen Multi-color display
- + WHO blood pressure classification
- + Irregular heartbeat (IHB) indicator
- + 2x90 groups memory function
- + Fully automatic one-key measurement

## Unique Led Curved Screen Design

Upper Arm Electronic Blood Pressure Monitor U82RH

- + Large LED screen curved Multi-color display
- + WHO blood pressure classification
- + Irregular heartbeat (IHB) indicator
- + 2x199 groups memory function
- + Fully automatic one-key measurement

## Full Led Screen Coverage

Upper Arm Electronic Blood Pressure Monitor U81Q

- + Large LED screen Multi-color display
- + WHO blood pressure classification
- + Irregular heartbeat (IHB) indicator
- + 2x90 groups memory function
- + Fully automatic one-key measurement

## Black And White Screen HD Display

Upper Arm Electronic Blood Pressure Monitor U80N

- + Large LCD screen display
- + WHO blood pressure classification
- + Irregular heartbeat (IHB) indicator
- + 2x90 groups memory function
- + Year/month/date/time function

## Smooth Black And White Screen

Upper Arm Electronic Blood Pressure Monitor U81NH

- + Large LCD screen display
- + WHO blood pressure classification
- + Irregular heartbeat (IHB) indicator
- + 2x90 groups memory function
- + Year/month/date/time function

## Ultra-large High-end Black And White Screen

Upper Arm Electronic Blood Pressure Monitor U81RH

- + Ultra-large LCD screen display
- + WHO blood pressure classification
- + Irregular heartbeat (IHB) indicator
- + 2x90 groups memory function
- + Year/month/date/time function

## High-end Drum Kit Button

Upper Arm Electronic Blood Pressure Monitor U82NH

- + Ultra-large LCD screen display
- + WHO blood pressure classification
- + Irregular heartbeat (IHB) indicator
- + 2x90 groups memory function
- + Year/month/date/time function

## 5.2 Inch Large Screen

Upper Arm Electronic Blood Pressure Monitor U81D

- + High definition blue backlight screen
- + WHO blood pressure classificatio
- + Irregular Heartbeat Indicator
- + Convenient and portable
- + Comfortable Large Cuff

## Backlight Display Clear Readings

Upper Arm Electronic Blood Pressure Monitor U82W

- + High definition blue backlight screen
- + WHO blood pressure classificatio
- + Irregular Heartbeat Indicator
- + Convenient and portable
- + Comfortable Large Cuff

## The First Curved Design

Upper Arm Electronic Blood Pressure Monitor U815

- + High definition blue backlight screen
- + WHO blood pressure classificatio
- + Irregular Heartbeat Indicator
- + Convenient and portable
- + Comfortable Large Cuff

## Convenient And Portable Design

Upper Arm Electronic Blood Pressure Monitor U80H

- + High definition blue backlight screen
- + WHO blood pressure classificatio
- + Irregular Heartbeat Indicator
- + Convenient and portable
- + Comfortable Large Cuff

## Most Cost-effective Model

Upper Arm Electronic Blood Pressure Monitor U82V

- + High definition white backlight screen
- + Comfortable large cuff
- + Irregular Heartbeat Indicator
- + Convenient and portable
- + Comfortable Large Cuff

## Newly Launched Model

Upper Arm Electronic Blood Pressure Monitor U86W

- + High definition white backlight screen
- + WHO blood pressure classification
- + Irregular heartbeat indicator
- + 2\*90 group memory values
- + Comfortable large cuff

## Water Drop Screen Design

Upper Arm Electronic Blood Pressure Monitor U81W

- + High definition white backlight screen
- + WHO blood pressure classification
- + Irregular heartbeat indicator
- + 2\*90 group memory values
- + Comfortable large cuff

## Ultra-thin Design

Upper Arm Electronic Blood Pressure Monitor U81K

- + High definition white backlight screen
- + WHO blood pressure classification
- + Irregular heartbeat indicator
- + 2\*90 group memory values
- + Comfortable large cuff

## Smart One-key Measurement

Upper Arm Electronic Blood Pressure Monitor U90E

- + Large LCD screen display
- + WHO blood pressure classification
- + Irregular heartbeat (IHB) indicator
- + Comfortable large cuff
- + 2x90 sets memories value

## King Of Top- Seller

Upper Arm Electronic Blood Pressure Monitor U80EH

- + WHO blood pressure classification
- + Automatic one-key measurement
- + Irregular heartbeat (IHB) indicator
- + Comfortable large cuff
- + 2x90 sets memories value

## All-in-one Wear

Upper Arm Electronic Blood Pressure Monitor U80M

- + WHO blood pressure classification
- + Automatic one-key measurement
- + Irregular heartbeat (IHB) indicator
- + Comfortable large cuff
- + 2x90 sets memories value

## Home Portable Design

Upper Arm Electronic Blood Pressure Monitor U87E

- + WHO blood pressure classification
- + Automatic one-key measurement
- + Irregular heartbeat (IHB) indicator
- + Comfortable large cuff
- + 2x90 sets memories value

## Large LED Screen

Wrist Electronic Blood Pressure Monitor U60AH

- + Large LED screen Multi-color display
- + Automatic one-key measurement
- + WHO blood pressure classification
- + Irregular heartbeat (IHB) indicator
- + 2x90 sets memories value

## One Button Measurement

Wrist Electronic Blood Pressure Monitor U60CH

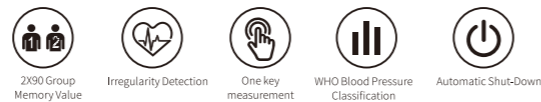

- + Comfortable and easy operation
- + Automatic one-key measurement
- + WHO blood pressure classification
- + Irregular heartbeat (IHB) indicator
- + 2x90 sets memories value

## Black And White Reverse Display

Wrist Electronic Blood Pressure Monitor U60A

- + High definition and Exquisite
- + Automatic one-key measurement
- + WHO blood pressure classification
- + Irregular heartbeat (IHB) indicator
- + 2x90 sets memories value

## Most cost-effective Wrist Style

Wrist Electronic Blood Pressure Monitor U60E

- + Convenient and easy operation
- + Automatic one-key measurement
- + WHO blood pressure classification
- + Irregular heartbeat (IHB) indicator
- + 2x90 sets memories value

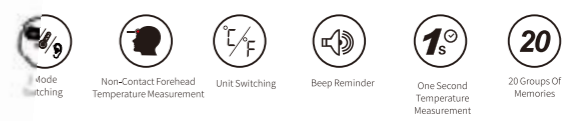

### Led Display Thermometer Non-Contact Forehead Thermometer UFR201

- + Body temperature, ear temperature, physical temperature
- + Non-contact, safe and hygienic
- + One key measurement, simple operation
- + 1 second temperature measurement, accurate and efficient
- + Acrylic panel, sturdy and durable

### Forehead And Ear Temperature 2-in-1 Non-Contact Forehead Thermometer UFR101

- + Body temperature, ear temperature, physical temperature
- + Non-contact, safe and hygienic
- + One key measurement, simple operation
- + 1 second temperature measurement, accurate and efficient
- + LED display, easy reading

### Non-contact Infrared Thermometer Non-Contact Forehead Thermometer UFR106

- + Three modes: body temperature, physical temperature, and room temperature
- + Non-contact, safe and hygienic
- + Color reminder light, Monitor health status
- + One key measurement, simple operation
- + 1 second temperature measurement, accurate and efficient

### Handheld And Portable Fine Atomization

Mesh nebulizer YS35

- + Adjustable fog amount
- + Even atomization and easy absorption
- + Low noise, quiet atomization
- + One-click start, simple operation
- + Small, light and portable

### Active Vibrating Mesh Technology

Mesh Nebulizer YS30

- + Portable mesh nebulizer
- + One-click start, easy to operate
- + Low noise, quiet atomization
- + Adjustable fog amount
- + Micron-sized foggy particles and easy to absorb

### Portable Mini Atomization

Mesh Nebulizer WNE215

- + Portable mesh nebulizer
- + One-click start, easy to operate
- + Low noise, quiet atomization
- + Adjustable fog amount
- + Micron-sized foggy particles and easy to absorb

# Professional Medical Grade

Compressor Nebulizer UN505

- + Adjustable fog amount
- + Micron-sized foggy particles and easy to absorb
- + Low noise, quiet atomization
- + One-click start, easy to operate
- + Low heat rejection, low fault route

Ultra-quiet

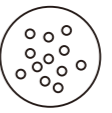

Light weight

Easy switch

Medical grade

Micron particles

Large amount of atomization

## Intelligent Neck Massage Instrument

Neck massager MD500

- + Hard core double-effect neck guard
- + shaped wear
- + More fit neck massage, full floating massage head
- + Matte painted surface electrode
- + Flexible silicone, flexible

16 levels of strength

6 modes are available

Lightweight and portable

Four-speed temperature control

Simulation method

Double-effect heat soothing

# Intelligent Massage Relieve Pain

Cordless Leg Massager UM602

- + Highly restore the comfort of real massage
- + Three-speed massage mode multi-dynamic cycle pressing
- + LED screen display, clearly visible
- + Expel cold and avoid damp
- + Long-lasting power Long battery life

 constant temperature hot compress	 heat regulation	 360° wrap around
 Three velocity adjustment	 Voice prompts	 Low Battery Reminder
